# BILAN

## Performance Metrics & Contact Tracking

### KEY PERFORMANCE INDICATORS TO TRACK

#### Conversion Rate

Businesses contacted → Businesses onboarded. Target: 30-50% conversion from Tier 1/2

#### Initial Order Size

Average first wholesale order value by category. Track to assess demand and stock requirements

#### Reorder Frequency

How quickly businesses reorder. Indicates product fit and customer satisfaction

#### Customer Feedback

End-user satisfaction from each location. Gather testimonials and product feedback

#### Revenue per Location

Track performance by business type. Identify highest-margin distribution channels

#### Staff Training Impact

Measure effectiveness of product knowledge training on sales velocity

### CONTACT TRACKING TEMPLATE

Business Name	Category	Phone	Contact Person	Date Contacted	Meeting Date	Status	Notes
<i>To be filled during outreach campaign</i>							
Example: B-Fitness	Gym	XXX-XXX-XXXX	Manager Name	MM/DD/YY	MM/DD/YY	Pending	Already sells supplements

### STATUS CATEGORIES

#### Pending

Not yet contacted or contacted, awaiting response

#### In Progress

Meeting scheduled or currently negotiating

#### Onboarded

Agreement finalized, inventory supplied, staff trained

### SUMMARY STATISTICS
